EDUCATION

Northeastern University *Boston, MA*

Sept. 2025 – Present

Khoury College of Computer Sciences

Expected graduation: May 2027

Candidate for a Master of Science in Computer Science

Related coursework: Programming Design Paradigm, Database Management Systems, Computer Systems

CVR College of Engineering *Hyderabad, India*

Dec. 2021 – Apr. 2025

Bachelor of Technology in Computer Science and Engineering

Related coursework: Big Data, Data Analysis, Data Structures, Algorithms, Computer Networks, Operating Systems, Cybersecurity, Web Development, Computer Systems and Architecture

TECHNICAL KNOWLEDGE

Databases: MySQL, MongoDB Atlas, SQL

DBMS Concepts: Schema Design, Normalization, ER Modeling, Indexing, Query Optimization, Transactions

Languages: Java, Python, JavaScript, SQL, HTML

Web / Frameworks: ReactJS, React Native, NodeJS, ExpressJS

Tools: Microsoft Excel, Google Sheets (formulas, data organization), Git, Postman, Anaconda

PROJECTS

RUSH-B, an E-sports Tournament Manager

2025

Designed and implemented a MySQL schema to model various data entailing a CS2 match such as teams, team members, tournament schedule, outcome, overtime tracking, statistics of matches etc, and built multiple functions and procedures to power interactive visual reports supporting planning and decision-making.

Technologies: MySQL, Python, Flask, Bootstrap styling

CSE Noticeboard Application

2025

Structured a MongoDB Atlas database to manage and serve department notices efficiently, enabling streamlined, real-time distribution of announcements within the CSE community.

Technologies: MongoDB Atlas, React Native, NodeJS, ExpressJS, GitHub

Mobile Attendance System

2024

Modeled and queried a MongoDB Atlas database to store and verify GPS-based, face-recognition attendance records, ensuring accurate, duplicate-free tracking of physical presence for organizations.

Technologies: MongoDB Atlas, React Native, NodeJS, ExpressJS, Postman

CERTIFICATIONS

AWS Academy Graduate – Cloud Foundations

Google Cybersecurity Professional Certificate

PwC Cyber Launchpad – Graduate

INTERESTS / ACTIVITIES

CVR Cybernauts *Technical Team Member*

Contributed to organizing cybersecurity workshops and technical events with smooth event execution.

Aug 2023

National Service Scheme Club *Volunteer*

Assisted in coordinating blood donation drives and participating in community service initiatives.

Jun 2023

Ciencia 5K Run *Event Organizer*

Managed event logistics and coordinated volunteer teams for a large-scale campus run.

Mar 2024
